Central Virginia Transportation Improvement Program for
Fiscal Years 2024-2027**

WHEREAS, the *Central Virginia Transportation Improvement Program (CVTIP)* is required to be submitted to the Virginia Department of Transportation for inclusion in the State Transportation Improvement Program (STIP); and

WHEREAS, inclusion of transportation projects in the *CVTIP* is a condition of federal participation in the funding of projects and programs; and

WHEREAS, this amendment of the *CVTIP* is a request from the Virginia Department of Transportation (VDOT) to reconcile the cost of the Amtrak service expansion projects. The change is to delete the combined box and add two TIP boxes with the total amounts for each UPC so that the cost matches the STIP; and

WHEREAS, public input has been sought pursuant to the Federal requirements and the CVTPO Public Participation Plan and the Transportation Technical Committee (TTC) recommended the CVTPO approve the inclusion in the State Transportation Improvement Program; and

WHEREAS, this resolution is being adopted upon the condition that no adverse public comments were received during a duly advertised public comment period ending on July 15, 2024.

NOW, THEREFORE, BE IT RESOLVED that the Central Virginia Transportation Planning Organization does hereby approve the Central Virginia Transportation Improvement Program Fiscal Years 2024-2027, as amended and described in the attached *Narrative of Changes to the CVTIP FY24-27*.
